Metro Beach will be in full swing starting on Sunday June 12 with the Dale Vaughn Band, specializing in country music. Visit their website for future engagements.

"Why I like Five Star" by Kris Bucci

I started attending the Five Star dances in December 2013. I quickly considered the line dances on Thursday nights my new (and only) exercise program.

However, the friendly smiles, hello's, instructors, and all those who so often had to refresh my memory on the dances I already learned, kept me wanting to come back. As time went on, I got to know so many people and found that I had a new circle of friends.

A recent surgery kept me away for two months, and what touched me most was the phone call from David Kozlowski, a get well card signed by so many of you, and even the Valentine's card from the Board. I want to thank all of you for making me feel so welcome and I am blessed to be a part of Five Star.

Membership News

by David Kozlowski,
Membership Director

Members and guests,

Ahhh, spring has finally arrived.

Along with the spring thaw, comes the trash that's left behind. It's that time again when our Adopt-A-Highway campaign kicks into full gear! Dan Platz is looking to recruit some energetic individuals to help clean up a three mile stretch along Rochester road, from Diversion Street to M59. It's great exercise, fresh air, and a complimentary breakfast from Five Star. The more people we recruit, the quicker the job gets done! Spring cleaning is scheduled for Saturday May 7th, at 8 am. Meet up at Bordine's parking lot, across from Ram's Horn. Contact Dan at 248-882-7700.

Welcome our newest members Sandra Adams, Roseann Douras, & Hal Abbott who joined us last month. Thank you to all those "members-at-large" people who go out of their way to make our guests and new members feel welcomed at each visit.

Our mission is to provide support and enrichment necessary to promote a healthy, social and educational environment for single parents, families and single adults. We are structured to create an atmosphere where these needs can be addressed and individuals flourish. As a diverse organization, we strive to enrich the community where we live, work and play.
