President's Message

by Bill Gotts

Members and guests,

It was great to see so many former members and friends at the August 3 dance. As time passes, it is easy to forget those who shared our passions and pastimes. A night such as this wakes us up to the fact that those people haven't forgotten Five Star and the good times they had. It was interesting to hear them talk about some of their memories. I only wish that I could have heard more.

The picnic was enjoyable. The menu was good, and there was plenty of food. Some people were reminiscing about our bus trip to Pigeon Forge and seemed interested in doing something similar again. It was nice to see both Somerset and Five Star members having a good time together. Both of our organizations need more support to survive!

The evening gave us an opportunity to strut our stuff. We danced and talked and danced some more. Our t-shirts did create some outside interest, and we took the bull by the horns and did a little prospecting. Many people came forward to ask about Five Star. I think some of them will come to see us in action, soon I hope.

I spent a lot of time organizing a presentation for my report on Detroit. I tried to make it as interesting as possible. I am fortunate to have some excellent books that I was able to use as reference material. Also, I have met several people in my life's journey who provided me various facts and tidbits about Detroit that I was happy to share with you.

As always, keep dancing!

Membership News

Marketing Director

Members and guests,

I recently was thinking about an old Girl Scout song that went, "Make new friends, but keep the old, one is silver and the other is gold." Such wise words for us to remember. It was great to see so many faces at last week's farewell dance and I am hoping that we will continue to see them at all our dances. I am happy to report that I have made progress with some of the local papers and now will be focusing my efforts on the online audience. We need to add some new friends to our number and I am hoping you can help. A personal invitation is always the best kind, so please invite anyone you know or meet to dance with us on Thursday nights. If you need some business cards to pass out, we have them for you. See you on Thursday night.
