President's Message

By: Jerry Maynard

First of all we want to thank the many workers who helped serve breakfast for Heritage Days at the Rochester park. It was good to see some new faces present. As you know, they give us free use of the Community Center for our murder mystery as a reward.

For the month of June we will be accepting donations of children's books for Kids First, a local non-profit that provides free medical check-ups for kids who have no health insurance. They give books to the kids. This year they expect 800 families to attend their bonanza this summer. Tom Scott has already donated 5 boxes for books to start us off. Bring your books to the dance anytime in June.

Our summer events bring hot dogs, hamburgers and an ice cream social to our calendar. Keep your eyes peeled for those Thursday nights.

Have a safe and sane summer. Enjoy the outdoors as much as you can. It's this time of year that makes Michigan such a great place to live.

Watch my column for a big announcement in the July newsletter.
