Thoughts from Connie...

Hello to all Members and Guests,

As Summer draws to an end, it can mean the end of vacations and seasonal changes in the weather. This is not the time for being a couch potato—make a list of all those summer-centric things you've wanted to do and get out there and do them!

When David asked if I would like to write an article for Five Star I said yes! I have been a member for quite a few years, and what comes to mind is what Five Star means to me. Of course, it is the people and the Social aspect, the dancing and the music. That goes without saying!

The most important thing about Five Star group is they are constant, which is something that doesn't change or something that continues to remain steady. Through the pandemic the Board found a way to keep us connected by dancing outside. They did not just give up and say we cannot survive! When River Crest closed and we had no where to go, they found a new home for us. They have remained constant for us.

We all face changes every day and our lives are affected in different ways, but to know we have a place to meet just a couple of times a month to see our friends to exchange stories and give support to each other is a wonderful thing. With our support to the club, we can all be constant as well.

We have a Dedicated Board, a nice place to gather, and a DJ that plays great music for us. We all have a wonderful time every time we meet and hopefully will keep it going! We have all the ingredients needed, we just need us, to be as constant as we can!

Wherever you go no matter what the weather, always bring your own sunshine! Success is the sum of small efforts repeated day in and day out. See you at our August dances, and enjoy the rest of the Summer to the fullest. ~ Connie
