### Treasurers Message

Members and Guests

It's hard to believe that it's September already... where has the Summer gone! There were so many great outdoor concerts to attend and meet other members. We will miss all the good times in the summer but now we need to plan for the Fall. We have booked the Sterling Heights Lion's Club for September through December. David and I have looked at several other options but most of them we can't afford and require Liability Insurance, which is costly. We are always open to suggestions if you find something.

I feel so good when I see our core group of dancers have such a good time at our dances. It's the friendship we have developed with the Five Star Members and guests that make it all worth while. We hope to continue these dances. I want to thank all those who donate to our Raffle, this helps us to pay the bills and reduce our loss.

David and I attended a Board meeting in the City of Rochester to support the Rochester Community House Construction on August 14. The City of Rochester is applying for a \$2.5 million State of Michigan Labor and Economic Opportunity grant to renovate and modernize the building. The City of Rochester had to add if needed \$700 thousand dollars. The vote was overwhelmingly passed. The Community house has 27 Non Profits that use the facility. Around 1200 to 1300 people a week. When the construction is done, we may be able to go back to the community house. The Plans for remodeling show a large dance floor

May the Lord bless all of you!
