## Connie's Message

Members and Guests,

Here we are in the 11th month of the calendar, which is November. November is National Gratitude Month, which encourages us to embrace the power of gratitude. Gratitude is more than simply saying "Thank You" and has the ability to shift us from focusing on the negative to appreciating what is positive in our lives. The month gives us the perfect opportunity to give thanks for the people and things around us. Many studies have shown that gratitude helps alleviate stress and improve healing.

With that in mind, I want to take the time to express our many thanks to our Members and Guests for the support this past year. Everyone has said they want to continue in our endeavor to keep Five Star Connection going even with the adversity we have encountered. The passion you all have is wonderful to experience. We may not have high numbers, but we have a great group of people that come together and socialize and dance and have a great time. The support of the dance instructors and the set up and clean-up of the hall is so appreciated. You might never know who you have helped that evening with your smiles and laughter and bantering. It helps to take away stress and troubles someone may have if just for a few hours.

Going into November we see the leaves in beautiful color and falling off the trees to get ready for the winter months. We have Veterans Day, and Thanksgiving Day. We also have a popular day called Black Friday for Holiday shopping.

Whatever you do I **SINCERELY HOPE YOUR NOVEMBER IS UNBELEAFABLE!!!**
